Re: File No. M/001/036 and S/001/049

Dear Mr. Hedberg:

Enclosed are the two Annual Reports from Twin Mountain Rock Company for the year 2000. One of the annual reports is for our ballast quarry while the other is for the small mine riprap pit that we opened up during the year. There have been no significant changes to the surface facilities so an updated map has not been provided.

Sincerely,

TWIN MOUNTAIN ROCK COMPANY
